

NORTHERN BAPTIST EDUCATION SOCIETY GRANT APPLICATION

The Northern Baptist Education Society was founded in 1791 to aid worthy men and women in obtaining an education for the Christian Ministry. Since that time the Society has helped thousands in their educational journey providing our churches with trained pastoral leadership.

Our goal in collaboration with the ABCOM Institute for Ministry (AIM) is to further assist those who are seeking the proper theological education and credentials to be able to serve as pastor or staff in one of the American Baptist Churches of Maine. We are seeking to assist those who feel called of God to serve the Church of Jesus Christ our Lord.

Our commitment as a Society is to pay the tuition for every other course a student takes. That is, once the student has completed one course, the Society will pay for the next course for the rest of the program. This application is to begin that process. All renewals for funds for subsequent courses will be a simple e-mail request from the local Dean.

With this application please attach a letter of support from your local church.

Applicants should expect an interview with the director of the NBES before final approval.
